

CAIRNS

THE NORTHERN CAPITAL OF AUSTRALIA

LOCATION OVERVIEW

INVESTMENT OPPORTUNITY

Cairns is Australia's 16th largest city is home to the Nation's fifth busiest airport (approximately 5 million passengers a year). Cairns is Australia's gateway to the Asian Century and the exciting opportunities that exist with the rise of Asia's middle class. It is also home to the ever-expanding Naval base, that will protect our borders.

Cairn's assets include an international airport, a major seaport, a large number of impressive tourism attractions, world class facilities for hosting major events and business conferences, ongoing investment in universities and health care, and an abundance of agricultural assets in the region.
